# CSC Pharmaceuticals International

<https://www.csc-biopharma.com/>

We are one of the leading Exporter of Antibacterial Drugs, Life Saving Pharmaceutical Products. These are attributed for their purity, accurate composition, non-toxic, no side effects & long shelf life.

## About Us

Incepted in year 2001, **CSC Pharmaceuticals** is a licensed distributor and trader of life saving Pharmaceutical Products, antibacterial Pharmaceutical Products, and bio-pharmaceutical & pharmaceutical products. These are acknowledged for purity, accurate composition, effectiveness, stability under various conditions and no side effects.

We source the pharmaceutical injectables, oncology products and life saving Pharmaceutical Products from reputed vendors based in US and UK. The products are passed through stringent quality testing procedures at the manufacturer end. In addition, our quality team also inspects the Pharmaceutical Products through routine quality check process prior to its availability in the market.

For trading and distributing quality products, we have received license as a registered wholesaler and exporter of pharmaceutical products from our FDA and Drug Controller India. The pharmaceutical products like generic pharmaceutical medicines, medicinal pharmaceutical products, quality pharmaceutical medicines, pharmaceutical medical products are available at competitive price in various underdeveloped and developing countries of Asia, Africa, Middle East and South America. We export all types of surgical equipment and medical accessories to various hospitals, clinical laboratories and disaster management operations.
